

SECONDARY EDUCATION CERTIFICATE

ENVIRONMENTAL STUDIES SEC 13

As from 2011 the **SEC Environmental Studies examination (SEC 13)** will include the following major changes:

The format of Paper I has been changed. This paper will now be divided in two sections.

Section A, which will carry 40 marks or 20% of the global mark, will include from **9 to 15 short answer questions** that will reflect all the six themes of the syllabus.

Section B, which will carry 50 marks or 25% of the global mark, will include **two questions based on sources**. There are no changes in Papers IIA and IIB.
