

## Annexe 1 The Annual Examination Papers

The examination will consist of one paper of 1 hour 30 minutes duration. Papers will be set in English and candidates are expected to answer in good English.

The use of non-programmable calculators, geometrical instruments, pencil colours, piece of string and blank sheet of paper for calculating curved distances on Topographic Maps is permitted during the examination.

Exam papers of each Form will reflect the topics covered as indicated by the present document. However, in regards to Map Reading and Interpretation the exam papers for Forms 4 and 5 will also refer to the topics covered during the previous year. The exam papers for Forms 3, 4 and 5 are prepared by the Education Assessment Unit at the Directorate for Quality and Standards in Education and will carry a maximum of 90 marks consisting of nine structured questions as indicated in the table below. The remaining 10 marks will be awarded for the fieldwork according to the set criteria in the syllabus.

Strands	No. of questions	Marks
Map Reading and Interpretation	1	12
Location and Places	1	8
Weather and Climate	1	12
Landforms and Processes	2	20
Socio-Economic Human Systems	2	20
Environmental Concerns	2	18
		Total: 90

Teachers are encouraged to follow this format in the setting of their school based half yearly examinations.
